Item 1.01. Entry into a Material Definitive Agreement.

On October 5, 2021, Foot Locker, Inc. (the “Company”) completed the sale of \$400 million aggregate principal amount of its 4% Senior Notes due 2029 (the “Notes”). The Company received net proceeds from the offering of approximately \$395 million, after deducting the initial purchasers’ discount and estimated offering expenses payable by the Company, which the Company intends to use for general corporate purposes.

The Notes were issued pursuant to an indenture, dated as of October 5, 2021 (the “Indenture”), by and among the Company, certain guarantors from time to time party thereto, and U.S. Bank National Association, as trustee. The Notes are the senior unsecured, unsubordinated obligations of the Company and are guaranteed, jointly and severally, by the Company’s current and, subject to certain exceptions, future subsidiaries that guarantee the Company’s secured revolving credit facility or certain other debt of the Company or the guarantors. The Indenture limits the ability of the Company and its subsidiaries to incur certain liens, merge, consolidate, or sell all or substantially all of their assets, enter into certain transactions with affiliates, and enter into certain sale and leaseback transactions.

The Notes will mature on October 1, 2029, and bear interest at a rate of 4% per annum. Interest will accrue from October 5, 2021, and will be payable semi-annually in arrears on April 1 and October 1 of each year, commencing on April 1, 2022.

The Notes will be redeemable, in whole or in part, at any time or from time to time on or after October 1, 2024, at the redemption prices specified in the Indenture, plus accrued and unpaid interest, if any, to (but excluding) the applicable redemption date. At any time and from time to time prior to October 1, 2024, the Notes may be redeemed, in whole or in part, at a redemption price of 100% of the principal amount thereof, plus a “make-whole” premium and accrued and unpaid interest, if any, to (but excluding) the applicable redemption date. In addition, the Company may redeem up to 40% of the aggregate principal amount of Notes at any time or from time to time before October 1, 2024, with the net cash proceeds from certain equity offerings at a redemption price equal to 104%, plus accrued and unpaid interest, if any, to (but excluding) the applicable redemption date.

Upon the occurrence of certain events that constitute a change of control of the Company and a rating downgrade, the Company will be required, subject to certain exceptions, to offer to repurchase all outstanding Notes at 101% of their principal amount, plus accrued and unpaid interest, if any, to (but excluding) the date of repurchase.

The Indenture contains customary events of default, including (subject in certain cases to customary grace and cure periods) nonpayment of principal or interest; breach of other agreements in the Indenture; failure to pay certain other indebtedness; certain events of bankruptcy, insolvency, or reorganization; failure to pay certain final judgments; and failure of certain guarantees to be enforceable.

The Indenture and form of notes are filed as Exhibits 4.1 and 4.2, respectively, to this Current Report on Form 8-K and are incorporated herein by reference. The above descriptions of material terms of the Indenture and Notes are qualified in their entirety by reference to such exhibits.

The Notes have not been and will not be registered under the Securities Act of 1933, as amended (the “Securities Act”) or the securities laws of any other jurisdiction. The Notes were sold to qualified institutional buyers pursuant to Rule 144A and outside the United States pursuant to Regulation S of the Securities Act.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth above under Item 1.01 is hereby incorporated by reference into this Item 2.03.

Item 8.01. Other Events.

On September 29, 2021, the Company issued a press release announcing the pricing of the Notes. A copy of this press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference.

As previously disclosed, the Company, as borrower, and certain of its domestic subsidiaries, as guarantors, are parties to a credit agreement, dated as of May 19, 2016 (as amended by Amendment No. 1 to Credit Agreement, dated as of July 14, 2020, and Amendment No. 2 to Credit Agreement, dated as of May 19, 2021, and as in effect on the date hereof, the "Credit Agreement"), with the lenders party thereto, and Wells Fargo Bank, National Association, as agent, letter of credit issuer, and swing line lender, which governs the Company's secured asset-based revolving credit facility. On October 1, 2021, Eurostar, Inc., a Delaware corporation, and indirect subsidiary of the Company, operating as WSS, became a party to, and bound by the terms of, the Credit Agreement and other applicable Loan Documents (as defined in the Credit Agreement) as a guarantor.

“Rule 904” means Rule 904 promulgated under the Securities Act.

“S&P” means S&P Global Ratings, acting through Standard & Poor’s Financial Services LLC, or any successor rating agency.

“Sale and Leaseback Transaction” means an arrangement relating to a Property owned by the Company or a Subsidiary of the Company on the Issue Date or thereafter acquired by the Company or a Subsidiary of the Company whereby the Company or a Subsidiary of the Company transfers such property to a Person and the Company or the Subsidiary of the Company leases it from such Person.

“SEC” means the United States Securities and Exchange Commission.

“Secured Net Leverage Ratio” means, with respect to any Test Period, the ratio of (a) Consolidated Total Indebtedness that is secured by a Lien on Property of the Company or a Subsidiary outstanding on the last day of such Test Period (other than property or assets held in a defeasance or similar trust or arrangement for the benefit of the Indebtedness secured thereby), less the amount of Cash Equivalents in excess of any Restricted Cash that would be stated on the balance sheet of the Company and its Subsidiaries and held by the Company and its Subsidiaries as of the last day of such Test Period, to (b) Consolidated EBITDA of the Company for such Test Period. In the event that the Company or any Subsidiary incurs, assumes, guarantees, redeems, repays, retires, discharges or extinguishes any Indebtedness (other than Indebtedness incurred or repaid under any revolving Credit Facility in the ordinary course of business for working capital purposes), in each case, subsequent to the commencement of the period for which the Secured Net Leverage Ratio is being calculated but prior to or simultaneously with the event for which the calculation of the Secured Net Leverage Ratio is made (the “Secured Net Leverage Ratio Calculation Date”), then the Secured Net Leverage Ratio shall be calculated giving *pro forma* effect to such incurrence, assumption, guarantee, redemption, repayment, retirement, discharge or extinguishment of Indebtedness as if the same had occurred on the last day of the applicable Test Period.

For purposes of making the computation referred to above, any Specified Transaction that has been made by the Company or any of its Subsidiaries during any Test Period or subsequent to such Test Period and on or prior to or simultaneously with the Secured Net Leverage Ratio Calculation Date shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA) had occurred on the first day of the applicable Test Period. If since the beginning of such Test Period any Person that subsequently became a Subsidiary or was merged, amalgamated or consolidated with or into the Company or any of its Subsidiaries since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this definition, then the Secured Net Leverage Ratio shall be calculated giving *pro forma* effect thereto for such Test

Period as if such Specified Transaction had occurred at the beginning of the applicable Test Period.

For purposes of this definition, whenever *pro forma* effect is to be given to any Specified Transaction, the *pro forma* calculations shall be made in good faith by a Financial Officer of the Company and may include, for the avoidance of doubt but without duplication of amounts included pursuant to the definition of Consolidated EBITDA, the amount of “run-rate” cost savings, operating expense reductions and synergies projected by the Company in good faith to be realized as a result of specified actions taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than 18 months after the date of any such Specified Transaction (in each case as though such cost savings, operating expense reductions and synergies had been realized on the first day of the applicable period and as if such cost savings, operating expense reductions and synergies were realized for the entirety of such period); *provided*, that such cost savings, operating expense reductions and synergies are reasonably identifiable and factually supportable in the good faith judgment of the Company. For the purposes of this Indenture, “run-rate” means the full recurring benefit for a period that is associated with any action taken, committed to be taken, or with respect to which substantial steps have been taken or are expected to be taken, net of the amount of actual benefits realized during such period from such actions.

If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Secured Net Leverage Ratio Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Financial Officer of the Company to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Company may designate.

For purposes of any covenant determined by reference to this Secured Net Leverage Ratio, the Company may elect, pursuant to an Officer’s Certificate delivered to the Trustee, to treat all or any portion of the commitment under any Indebtedness (and any refinancing with respect thereto) as being incurred at such time and being secured by a Lien at such time, in which case any subsequent incurrence of Indebtedness under such commitment or refinancing or incurrence of Liens to secure such Indebtedness, as the case may be, shall not be deemed, for purposes of this calculation, to be an incurrence at such subsequent time.

ARTICLE II

THE NOTES

2.01 Form and Dating; Terms.

(a) General. The Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A attached hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes may have notations, legends or endorsements required by law, stock exchange rules or usage. Each Note shall be dated the date of its authentication. The Notes shall be issued initially in minimum denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof.

(b) Global Notes. Notes issued in global form shall be substantially in the form of Exhibit A attached hereto (including the Global Note Legend thereon and the "Schedule of

Exchanges of Interests in the Global Note” attached thereto). Notes issued in definitive form shall be substantially in the form of Exhibit A attached hereto (but without the Global Note Legend thereon and without the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Each Global Note shall represent such of the outstanding Notes as shall be specified in the “Schedule of Exchanges of Interests in the Global Note” attached thereto, and each shall provide that it shall represent up to the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may, from time to time, be reduced or increased, as applicable, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(c) Terms. The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture, and the Company and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Company pursuant to a Change of Control Offer as provided in Section 4.10 hereof and, from time to time, in open-market transactions or tender offers or otherwise pursuant to Section 3.07(f) hereof. The Notes shall not be redeemable, other than as provided in Article III hereof or in Section 4.10(h) hereof.

Additional Notes ranking *pari passu* with the Initial Notes may be created and issued from time to time by the Company without notice to or consent of the Holders. Such Additional Notes shall be consolidated and shall form a single class with the Initial Notes and shall have the same terms as the Initial Notes, including as to status, waivers, redemptions, amendments, offers to repurchase or otherwise, except that the issue date, the initial Interest Payment Date and the initial date from which interest shall accrue may vary; *provided*, that if any Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, such Additional Notes will have separate CUSIP numbers and ISINs from the Initial Notes. Any Additional Notes shall be issued with the benefit of a supplemental indenture in form and substance reasonably satisfactory to the Trustee.

(d) Euroclear and Clearstream Applicable Procedures. The provisions of the “Operating Procedures of the Euroclear System” and “Terms and Conditions Governing Use of Euroclear” and the “General Terms and Conditions” and “Customer Handbook” of Clearstream shall be applicable to transfers of beneficial interests in Regulation S Global Notes that are held by Participants through Euroclear or Clearstream, and this Indenture shall not govern such transfers.

2.02 Execution and Authentication. At least one Officer shall execute the Notes on behalf of the Company by manual, facsimile or electronic (in “.pdf” format) signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall nevertheless be valid.

A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A attached hereto, by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

On the Issue Date, the Trustee shall, upon receipt of a written request or order signed on behalf of the Company by the principal executive officer, the principal financial officer, the treasurer or the principal accounting officer of the Company (an “Authentication Order”), authenticate and deliver the Initial Notes in the aggregate principal amount or amounts specified in such Authentication Order. In addition, at any time or from time to time, the Trustee shall, upon receipt of an Authentication Order, authenticate and deliver any Additional Notes for an aggregate principal amount specified in such Authentication Order for such Additional Notes issued or increased hereunder.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Company.

2.03 Registrar, Transfer Agent and Paying Agent. The Company shall maintain (i) an office or agency where Notes may be presented for registration (including any co-registrar described below, the “Registrar”), (ii) an office or agency where Notes may be presented for transfer or for exchange (including any co-transfer agent described below, the “Transfer Agent”) and (iii) an office or agency where Notes may be presented for payment (including any additional paying agents described below, the “Paying Agent”). The Registrar shall keep a register of the Notes (“Note Register”) and of their transfer and exchange. The registered Holder will be treated as the owner of the Note for all purposes. The Company may appoint one or more co-registrars, one or more co-transfer agents and one or more additional paying agents. The Company may change any Paying Agent, Transfer Agent or Registrar without prior notice to any Holder. The Company shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar, Transfer Agent or Paying Agent, the Trustee shall act as such. The Company or any of its Subsidiaries may act as Paying Agent, Transfer Agent or Registrar.

The Company initially appoints DTC to act as Depositary with respect to the Global Notes.

The Company initially appoints the Trustee to act as the Paying Agent, Transfer Agent and Registrar for the Notes and to act as Custodian with respect to the Global Notes.

If any Notes are listed on an exchange, for so long as the Notes are so listed and the rules of such exchange so require, the Company will satisfy any requirement of such exchange as to paying agents, registrars and transfer agents and will comply with any notice requirements

required under such exchange in connection with any change of any paying agent, registrar or transfer agent.

2.04 Paying Agent to Hold Money in Trust. The Company shall require each Paying Agent other than the Trustee to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of, or premium, if any, or interest on, the Notes, and will notify the Trustee of any default by the Company in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee for its own benefit and for the benefit of the Holders. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee for its own benefit and for the benefit of the Holders. Upon payment over to the Trustee, the Paying Agent (if other than the Company, a Subsidiary of the Company or the Trustee) shall have no further liability for the money. If the Company or a Subsidiary of the Company acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. In the event of any bankruptcy or reorganization proceedings relating to the Company, the Trustee shall serve as Paying Agent for the Notes.

2.05 Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Company shall furnish to the Trustee, at least five Business Days before each Interest Payment Date, and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

2.06 Transfer and Exchange.

(a) Transfer and Exchange of Global Notes. Except as otherwise set forth in this Section 2.06, a Global Note may be transferred, in whole and not in part, only to the Depository or another nominee of the Depository or to a successor thereto or a nominee of such successor thereto. A beneficial interest in a Global Note may not be exchanged for a Definitive Note of the same series unless (A) the Depository (x) notifies the Company that it is unwilling or unable to continue as Depository for such Global Note or (y) has ceased to be a clearing agency registered under the Exchange Act and, in either case, a successor Depository is not appointed by the Company within 90 days, (B) the Company, at its option, notifies the Trustee in writing that it elects to cause the issuance of Definitive Notes and any Participant requests a Definitive Note in accordance with the Applicable Procedures (although Regulation S Global Notes at the Company's election pursuant to this clause (B) may not be exchanged for Definitive Notes prior to (1) the expiration of the applicable Restricted Period and (2) the completion of all applicable requirements under Rule 903(b)(2) under the Securities Act) or (C) there shall have occurred and be continuing an Event of Default with respect to the Notes and a Holder has requested such exchange. Upon the occurrence of any of the events in clause (A), (B) or (C) above, Definitive Notes delivered in exchange for any Global Note of the same series or beneficial interests therein will be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depository (in accordance with its customary procedures). Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note of the same

series or any portion thereof pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof shall be authenticated and delivered in the form of, and shall be, a Global Note, except for Definitive Notes issued subsequent to any of the events in clause (A), (B) or (C) above and pursuant to Section 2.06(c) hereof. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a); *provided, however*, that beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b) or 2.06(c) hereof. Each Holder that is a transferor of a Note shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including any cost basis reporting obligations under Section 6045 of the Internal Revenue Code of 1986, as amended, in which case the Trustee may rely on such information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

(b) Transfer and Exchange of Beneficial Interests in the Global Notes. The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depositary in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) Transfer of Beneficial Interests in a Global Note to the Same Global Note. Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided*, that, prior to the expiration of the Restricted Period, transfers of beneficial interests in any Regulation S Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person other than pursuant to Rule 144A or another available exemption from the registration requirements of the Securities Act. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(i).

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. (ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company shall require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.07, 2.10, 3.06, 4.10 and 9.04 hereof).

(iii) The Company shall not be required to (A) issue, register the transfer of or exchange any Notes during a period beginning at the opening of business 15 days before the

electronic delivery or mailing of a notice of redemption of the Notes to be redeemed under Section 3.03 hereof and ending at the close of business on the day of such electronic delivery or mailing, (B) register the transfer of or exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part, (C) register the transfer of or exchange a Note between a Record Date and the next succeeding Interest Payment Date or (D) register the transfer of or exchange any Notes tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer.

(iv) Neither the Registrar nor the Company shall be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(v) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Company, evidencing the same debt, and shall be entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company shall deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of, and premium, if any, and interest on, such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(vii) Upon surrender for registration of transfer of any Note at the office or agency of the Company designated pursuant to Section 4.02 hereof, the Company shall execute, and the Trustee shall authenticate and mail or otherwise deliver, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(viii) At the option of the Holder, subject to Section 2.06(a) hereof, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. An indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company and the Trustee may charge the Holder for their expenses in replacing a Note.

Every replacement Note is a contractual obligation of the Company and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

2.08 Outstanding Notes. The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Company or a Guarantor or an Affiliate of the Company or a Guarantor holds the Note.

If a Note is replaced pursuant to Section 2.07 hereof (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the UCC). A mutilated Note ceases to be outstanding upon surrender of such Note and replacement thereof pursuant to Section 2.07 hereof.

If the principal amount of any Notes (or portions thereof) is considered paid under Section 4.01 hereof, such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

If the Paying Agent (other than the Company or a Guarantor or an Affiliate of the Company or a Guarantor) holds, on a Redemption Date or maturity date, money sufficient to pay Notes (or portions thereof) payable on that date, then on and after that date such Notes (or portions thereof) shall be deemed to be no longer outstanding and shall cease to accrue interest; *provided*, that in the case of any such Redemption Date, any conditions precedent specified in the applicable notice of redemption shall have been satisfied.

2.09 Treasury Notes. In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or a Guarantor or by any Affiliate of the Company or a Guarantor shall be considered as though not outstanding, except that, for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the

Trustee actually knows are so owned shall be so disregarded. Notes so owned that have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee such pledgee's right to deliver any such direction, waiver or consent with respect to such pledged Notes and that the pledgee is not the Company or a Guarantor or any Affiliate of the Company or a Guarantor. Notwithstanding the foregoing, if any such Person or Persons owns 100% of the Notes, such Notes shall not be so disregarded as aforesaid.

2.10 Temporary Notes. Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate certificated Notes in exchange for temporary Notes.

Holders and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to Holders or beneficial holders, respectively, of Notes under this Indenture.

2.11 Cancellation. The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange, payment or cancellation. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent, and no one else, shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of such cancelled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act). Certification of the destruction of all canceled Notes shall be delivered to the Company at the Company's written request. The Company may not issue new Notes to replace Notes that it has paid or delivered to the Trustee for cancellation. The Trustee shall not authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

2.12 Defaulted Interest. If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner *plus*, to the extent lawful, interest payable on the defaulted interest, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Company may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Trustee shall fix or cause to be fixed any such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Trustee shall promptly notify the Company of any such special record date. At least 15 days before any such special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall deliver electronically, mail or cause to be mailed, first-class postage prepaid, or otherwise deliver in accordance with the Applicable Procedures, to each

Holder, with a copy to the Trustee, a notice at such Holder's address as it appears in the Note Register that states the special record date, the related payment date and the amount of such interest to be paid. In the event that the Trustee is requested to deliver such notice to the Holders, such notice shall be drafted by the Company and shall be provided to the Trustee no less than five Business Days before it is to be delivered to the Holders.

Subject to the foregoing provisions of this Section 2.12, each Note delivered under this Indenture upon registration of transfer of, or in exchange for or in lieu of, any other Note shall carry the rights to accrued and unpaid interest, and the right to accrue interest, that were carried by such other Note.

2.13 CUSIP Numbers and ISINs. The Company in issuing the Notes may use CUSIP numbers and ISINs (in each case, if then generally in use) and, if so, the Trustee shall use CUSIP numbers and ISINs in notices (including notices of redemption) as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers, either as printed on the Notes or as contained in any notice, that reliance may be placed only on the other identification numbers printed on the Notes, and that any such notice shall not be affected by any defect in or omission of such numbers. The Company will as promptly as practicable notify the Trustee in writing of any change in the CUSIP numbers and ISINs.

ARTICLE III

REDEMPTION

3.01 Notices to Trustee. If the Company elects to redeem the Notes pursuant to Section 3.07 hereof, it shall furnish to the Trustee, at least five Business Days (unless the Trustee agrees to a shorter period) before notice of redemption is required to be delivered to Holders pursuant to Section 3.03 hereof, an Officer's Certificate setting forth (i) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (ii) the date of redemption (the "Redemption Date"), (iii) the principal amount of the Notes to be redeemed and (iv) the redemption price.

3.02 Selection of Notes to Be Redeemed. If less than all of the Notes are to be redeemed at any time, the Trustee shall select the Notes to be redeemed (a) if the Notes are listed on a national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed, or (b) if the Notes are not so listed, on a *pro rata* basis to the extent practicable, or, if the *pro rata* basis is not practicable for any reason, by lot or by such other method as the Trustee shall deem fair and appropriate and otherwise in accordance with the Applicable Procedures. In the event of partial redemption by lot, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the Redemption Date by the Trustee from the outstanding Notes not previously called for redemption.

The Trustee shall promptly notify the Company in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. No Notes of \$2,000 or less can be redeemed in part, except that if all of

the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

3.03 Notice of Redemption. The Company shall deliver electronically, mail or cause to be mailed by first-class mail, postage prepaid (or otherwise deliver in accordance with Applicable Procedures) notices of redemption at least 30 days but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at such Holder's registered address or otherwise in accordance with Applicable Procedures, except that redemption notices may be electronically delivered or mailed more than 60 days prior to a Redemption Date if (x) the notice is issued in connection with Article VIII or XI hereof or (y) such notice relates to a redemption that is conditioned upon satisfaction (or waiver by the Company in its sole discretion) of one or more conditions precedent and any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion).

The notice shall identify the Notes to be redeemed and shall state:

- (a) the Redemption Date;
- (b) the redemption price;
- (c) if any Definitive Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed and that, after the Redemption Date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion of the original Note representing the same indebtedness to the extent not redeemed will be issued in the name of the Holder upon cancellation of the original Note;
- (d) the name and address of the Paying Agent;
- (e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price, *plus* accrued and unpaid interest, if any;
- (f) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;
- (g) the paragraph or subparagraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;
- (h) the CUSIP number and ISIN, if any, printed on the Notes being redeemed and that no representation is made as to the correctness or accuracy of any such CUSIP number or ISIN that is listed in such notice or printed on the Notes; and
- (i) any condition to such redemption.

At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at its expense; *provided*, that the Company shall have delivered to the Trustee, at least five Business Days before notice of redemption is required to be electronically

delivered, mailed or caused to be mailed to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph and, if applicable, the second succeeding paragraph.

If any Notes are listed on a national securities exchange, and the rules of such exchange so require, the Company will notify such exchange of any such notice of redemption and the principal amount of any Notes outstanding following any partial redemption of such Notes. The Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person.

Notice of any redemption of Notes described herein may, at the Company's discretion, be subject to one or more conditions precedent. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice of redemption shall describe each such condition and, if applicable, shall state that, in the Company's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the Redemption Date as stated in such notice, or by the Redemption Date as so delayed. The Company may provide in such notice that payment of the redemption price and performance of the Company's obligations under this Article III with respect to such redemption may be performed by another Person.

3.04 Effect of Notice of Redemption. Once notice of redemption is delivered in accordance with Section 3.03 hereof, subject to satisfaction of any conditions precedent relating thereto specified in the applicable notice of redemption, Notes called for redemption become irrevocably due and payable on the Redemption Date at the redemption price. The notice, if delivered, mailed or caused to be mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to deliver such notice or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05 hereof, on and after the Redemption Date, interest shall cease to accrue on Notes or portions of Notes called for redemption.

3.05 Deposit of Redemption Price.

(a) Prior to 11:00 a.m. (New York City time) on the Redemption Date, the Company shall deposit (or cause to be deposited) with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued and unpaid interest on all Notes to be redeemed on that Redemption Date. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of, and accrued and unpaid interest on, all Notes to be redeemed.

(b) If the Company complies with the provisions of Section 3.05(a) hereof, on and after the Redemption Date, interest shall cease to accrue on the Notes or the portions of Notes

called for redemption; *provided*, that any conditions precedent specified in the applicable notice of redemption shall have been satisfied. If a Note is redeemed on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the Redemption Date shall be paid to the Person in whose name such Note was registered at the close of business on such Record Date, and no additional interest will be payable to Holders whose Notes will be subject to redemption by the Company. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Company to comply with Section 3.05(a) hereof, interest shall be paid on the unpaid principal, from the Redemption Date until such principal is paid, and to the extent lawful on any interest accrued to the Redemption Date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

3.06 Notes Redeemed in Part. Upon surrender of a Definitive Note that is redeemed in part, the Company shall issue and the Trustee shall authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed portion of the Note surrendered representing the same indebtedness to the extent not redeemed; *provided*, that each new Note will be in a minimum principal amount of \$2,000 and any integral multiple of \$1,000 in excess thereof. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate such new Note.

3.07 Optional Redemption.

(a) At any time prior to October 1, 2024, the Company may redeem all or a part of the Notes from time to time upon notice as set forth in Section 3.03 hereof, at a redemption price equal to 100.0% of the principal amount of the Notes redeemed, *plus* the Applicable Premium, *plus* accrued and unpaid interest, if any, to (but excluding) the applicable Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

(b) At any time prior to October 1, 2024, the Company may on any one or more occasions redeem up to 40.0% of the aggregate principal amount of Notes issued hereunder with the net cash proceeds of one or more Equity Offerings upon notice as set forth in Section 3.03 hereof at a redemption price of 104.000% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to (but excluding) the applicable Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date); *provided* that: (1) at least 60.0% of the aggregate principal amount of Notes issued under this Indenture remains outstanding after each such redemption; and (2) the redemption occurs within 90 days after the closing of such Equity Offering.

(c) Except pursuant to Section 3.07(a), 3.07(b) or 4.10(h) hereof, the Notes will not be redeemable at the Company's option prior to October 1, 2024.

(d) On or after October 1, 2024, the Company may, at its option, redeem all or a part of the Notes from time to time upon notice as set forth in Section 3.03 hereof, at the redemption prices (expressed as percentages of principal amount) set forth below, *plus* accrued and unpaid interest, if any, to (but excluding) the applicable Redemption Date (subject to the right of

Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), if redeemed during the 12-month period beginning on October 1 of the years indicated below:

Year	Redemption Price
2024	102.000%
2025	101.000%
2026 and thereafter	100.000%

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01, 3.02, 3.03, 3.04, 3.05 and 3.06 hereof.

(f) In addition to any redemption pursuant to this Section 3.07, the Company or its Affiliates may at any time and from time to time purchase Notes in open-market transactions or tender offers or otherwise.

3.08 Mandatory Redemption. The Company will not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

ARTICLE IV

COVENANTS

4.01 Payment of Notes. The Company shall pay or cause to be paid the principal of, and premium, if any, and interest on, the Notes on the dates and in the manner provided in the Notes and this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Company or a Guarantor or an Affiliate of the Company or a Guarantor, holds as of 11:00 a.m. New York City time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful. The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

4.02 Maintenance of Office or Agency. The Company shall maintain the offices or agencies (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or Transfer Agent) required under Section 2.03 hereof where Notes may be surrendered for registration of transfer or for exchange or presented for payment and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such surrenders, presentations, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be surrendered or presented for any or all such purposes and may from time to time rescind such designations; *provided*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain such offices or agencies as required by Section 2.03 hereof for such purposes. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03 hereof.

4.03 Reports.

(a) Whether or not required by the SEC, so long as any Notes are outstanding, the Company will furnish to the Holders of Notes, no later than 15 days after the time periods specified in the SEC's rules and regulations (plus any applicable extensions for such time periods) for a company subject to reporting under Section 13(a) or 15(d) of the Exchange Act (and, during any period in which the Company is not required to file reports with the SEC, within 15 days after the time periods specified in the SEC's rules and regulations applicable to filings made by a "large accelerated filer"):

(1) all quarterly and annual financial information that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K if the Company were required to file such Forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report on the annual financial statements by the Company's certified independent accountants; and

(2) all current reports that would be required to be filed with the SEC on Form 8-K if the Company were required to file such reports; *provided, however*, that the foregoing shall not obligate the Company to make available (i) any information otherwise required to be included on a Form 8-K regarding the occurrence of any such events if the Company determines in its good faith judgment that such event that would otherwise be required to be disclosed is not material to the Holders of the Notes or the business, assets, operations or financial condition of the Company and its Subsidiaries, taken as a whole, (ii) an exhibit, or a summary of the terms of, any employment or compensatory arrangement, agreement, plan or understanding between the Company (or any of its Subsidiaries) and any director or executive officer of the Company (or any of its Subsidiaries), (iii) copies of any agreements, financial statements or other items that would be required to be filed as exhibits to a current report on Form 8-K or (iv) any trade secrets, privileged or confidential information obtained from another Person and competitively sensitive information;

provided that such reports referenced in clauses (1) and (2) above shall not be required (i) to contain the separate financial information for any non-consolidated entity that would be required by Rule 3-09, Rule 3-10, Rule 13-01 or Rule 13-02 of Regulation S-X under the Securities Act, (ii) to comply with Section 302 or Section 404 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K promulgated by the SEC, or Item 10(e) of Regulation S-K or Regulation G (with respect to any non-GAAP financial measures contained therein)

promulgated by the SEC, or (iii) to include information required by Item 601 of Regulation S-K promulgated by the SEC.

(b) Whether or not required by the SEC, the Company will file a copy of all of the information and reports referred to in Sections 4.03(a)(1) and 4.03(a)(2) hereof with the SEC for public availability no later than 15 days after the time periods specified in the SEC's rules and regulations for a company that is a "large accelerated filer" that is subject to reporting under Section 13(a) or 15(d) of the Exchange Act (unless the SEC will not accept such a filing) and make such information available to securities analysts and prospective investors upon request. Notwithstanding the foregoing, to the extent the Company files the information and reports referred to in Sections 4.03(a)(1) and 4.03(a)(2) hereof with the SEC and such information is publicly available on the Internet, the Company shall be deemed to be in compliance with its obligations to furnish such information to the Holders of the Notes and to make such information available to securities analysts and prospective investors; *provided, however*, that the Trustee shall have no responsibility whatsoever to determine if such filing has occurred.

(c) The Company will make all such information available to the Trustee and the Holders of the Notes, in each case, by posting such information on its website or Intralinks or any comparable password-protected online data system that will require a confidentiality acknowledgement. Notwithstanding the foregoing, to the extent the Company files the information and reports referred to in Sections 4.03(a)(1) and 4.03(a)(2) hereof with the SEC and such information is publicly available on the Internet, the Company shall be deemed to be in compliance with its obligations to make such information available to the Trustee and the Holders of the Notes; *provided, however*, that the Trustee shall have no responsibility whatsoever to determine if such filing has occurred. Delivery of such reports, information and documents to the Trustee is for informational purposes only, and the Trustee's receipt of such reports, information and documents shall not constitute constructive or actual notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants relating to the Notes (as to which the Trustee is entitled to rely exclusively on Officer's Certificates). The Trustee is under no duty to examine such reports, information or documents to ensure compliance with the provisions of this Indenture or to ascertain the correctness or otherwise of the information or statements contained therein. The Trustee is entitled to assume such compliance and correctness unless a Responsible Officer of the Trustee is informed in writing otherwise. The Trustee shall have no responsibility for the filing, timeliness or content of any such reports, information or documents, and the Trustee shall have no duty to participate in or monitor any conference calls.

(d) To the extent not otherwise satisfied by the provisions of this Section 4.03, the Company shall furnish to Holders, securities analysts and prospective investors, upon their request, any information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

4.04 Compliance Certificate.

(a) The Company shall deliver to the Trustee, within 90 days after the end of each fiscal year ending after the Issue Date, an Officer's Certificate from the principal executive officer, principal financial officer, principal accounting officer or treasurer of the Company

stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to such Officer signing such certificate, that, to the best of such Officer's knowledge, the Company has kept, observed, performed and fulfilled each and every condition and covenant contained in this Indenture during such fiscal year and is not in Default in the performance or observance of any of the terms, provisions, covenants and conditions of this Indenture (or, if a Default shall have occurred, describing all such Defaults of which such Officer may have knowledge and the status thereof).

(b) When any Default has occurred and is continuing under this Indenture, or if the Trustee or the holder of any other evidence of Indebtedness of the Company or any Subsidiary of the Company gives any notice or takes any other action with respect to a claimed Default, the Company shall promptly (which shall be no more than 10 Business Days after becoming aware of such Default) deliver to the Trustee by registered or certified mail or by facsimile or other electronic transmission an Officer's Certificate specifying such event and the nature and status thereof.

4.05 Taxes. The Company shall pay or discharge, and shall cause each of its Subsidiaries to pay or discharge, prior to delinquency, all material taxes, lawful assessments and governmental levies, except such as are contested in good faith and by appropriate actions or where the failure to effect such payment or discharge is not adverse in any material respect to the Holders.

4.06 Stay, Extension and Usury Laws. The Company and each of the Guarantors covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant (to the extent that they may lawfully do so) that they shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

4.07 Sale and Leaseback Transactions. The Company will not, and will not permit any Subsidiary of the Company to, enter into any Sale and Leaseback Transaction with respect to any Property unless:

- (a) the Sale and Leaseback Transaction is solely with the Company or another Subsidiary of the Company;
- (b) the lease is for a period not in excess of 36 months (or may be terminated by the Company or such Subsidiary), including renewals;
- (c) the Company or such Subsidiary would (at the time of entering into such arrangement) be entitled as described in the definition of "Permitted Liens" (other than as described in clause (34) of that definition), without equally and ratably securing the Notes then outstanding under this Indenture, to create, incur, issue, assume or guarantee Indebtedness

secured by a Lien on such Property in the amount of the Attributable Indebtedness arising from such Sale and Leaseback Transaction;

(d) the Company or such Subsidiary, within 360 days after the sale of such Property in connection with such Sale and Leaseback Transaction is completed, applies an amount equal to the net proceeds of the sale of such Property to (i) the retirement of Notes, other Funded Indebtedness of the Company ranking on a parity with the Notes (or the Guarantees of the Notes) or Funded Indebtedness of a Subsidiary of the Company, (ii) the purchase of assets or (iii) a combination thereof; or

(e) (1) the Attributable Indebtedness of the Company and Subsidiaries of the Company in respect of such Sale and Leaseback Transaction and all other Attributable Indebtedness of the Company and Subsidiaries of the Company in respect of Sale and Leaseback Transactions entered into after the Issue Date then outstanding (other than any such Sale and Leaseback Transaction as would be permitted as described in Sections 4.07(a), 4.07(b), 4.07(c) and 4.07(d) hereof), *plus*

(2) the aggregate principal amount of Indebtedness secured by Liens on Properties then outstanding (not including any such Indebtedness secured by Liens described in the definition of "Permitted Liens," other than Indebtedness secured by Liens pursuant to clause (34) of that definition) that are not equally and ratably secured with the outstanding Notes (or secured on a basis junior to the outstanding Notes),

would not exceed the greater of (x) \$600 million and (y) the amount that would cause the Secured Net Leverage Ratio to exceed 0.50 to 1.00.

4.08 Liens. The Company will not, and will not permit any Subsidiary of the Company to, create, incur, issue, assume or guarantee any indebtedness for money borrowed evidenced by loans, bonds, notes, debentures, letters of credit, bankers' acceptances, hedging obligations or instruments similar to the foregoing, in each case to the extent such indebtedness would appear as a liability on the balance sheet of such Person prepared in accordance with GAAP ("Indebtedness"), secured by a Lien (other than Permitted Liens) upon (a) any Property of the Company or such Subsidiary or (b) any shares of Capital Stock or Indebtedness issued by any Subsidiary of the Company and owned by the Company or any Subsidiary of the Company, whether owned on the Issue Date or thereafter acquired, without concurrently providing that the Notes then outstanding under this Indenture are secured equally and ratably with or, at the option of the Company, prior to such Indebtedness so long as such Indebtedness shall be so secured.

The expansion of Liens by virtue of accretion or amortization of original issue discount (excluding accretion or amortization that is expressly provided for in the agreement providing for the applicable Indebtedness that is a zero coupon or similar discount yield instrument), the payment of interest or dividends in the form of additional Indebtedness and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an incurrence of Liens for purposes of this Section 4.08.

Any Indebtedness under any Credit Facility (including the Credit Agreement) may only be secured under clause (15) or (34) of the definition of Permitted Liens, and may not be secured under clause (24) of the definition of Permitted Liens.

4.09 Company Existence. Subject to Article V hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its company existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with their respective organizational documents (as the same may be amended from time to time); *provided*, that the Company shall not be required to preserve the corporate, partnership or other existence of its Subsidiaries, if the Company in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole.

4.10 Offer to Repurchase Upon Change of Control Triggering Event.

(a) If a Change of Control Triggering Event occurs, unless the Company has previously or concurrently electronically delivered or mailed a redemption notice with respect to all the outstanding Notes as described in Section 3.07 hereof, the Company shall make an offer to repurchase all or any part (equal to \$2,000 and integral multiples of \$1,000 in excess thereof) of the Notes pursuant to the offer described below (the "Change of Control Offer") at a price in cash (the "Change of Control Payment") equal to 101.0% of the aggregate principal amount thereof *plus* accrued and unpaid interest, if any, to (but excluding) the date of repurchase, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date prior to such repurchase. Within 30 days following any Change of Control Triggering Event, the Company shall deliver notice of such Change of Control Offer electronically or by first-class mail (or otherwise in accordance with Applicable Procedures), with a copy to the Trustee, to each Holder to the address of such Holder appearing in the Note Register with the following information:

- (1) that a Change of Control Offer is being made pursuant to this Section 4.10 and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Company;
- (2) describing the transaction or transactions that constitute the Change of Control;
- (3) the repurchase price and the repurchase date, which will be no earlier than 30 days nor later than 60 days from the date such notice is mailed or otherwise delivered (the "Change of Control Payment Date");
- (4) that any Note not properly tendered will remain outstanding and continue to accrue interest;
- (5) that, unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(6) that Holders electing to have any Notes repurchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled "Option of Holder to Elect Repurchase" on such Notes completed, to the Paying Agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(7) that Holders will be entitled to withdraw their tendered Notes and their election to require the Company to repurchase such Notes; *provided*, that the Paying Agent receives, not later than the close of business on the second Business Day prior to the expiration date of the Change of Control Offer, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes tendered for repurchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes repurchased;

(8) that Holders whose Notes are being repurchased only in part will be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered (and the unpurchased portion of the Notes must be equal to at least \$2,000 or any integral multiple of \$1,000 in excess thereof);

(9) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(10) the other instructions, as determined by the Company, consistent with this Section 4.10, that a Holder must follow in order to have its Notes repurchased.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws and regulations are applicable in connection with the repurchase of the Notes by the Company pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Indenture by virtue thereof.

(b) On the Change of Control Payment Date, the Company shall, to the extent lawful:

(1) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof properly tendered; and

(3) deliver, or cause to be delivered, to the Trustee an Officer's Certificate stating that such Notes or portions thereof have been tendered to and repurchased by the Company and, at the Company's option, the Notes so accepted for cancellation.

(c) The Company shall publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(d) The Company shall not be required to make a Change of Control Offer following a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer or (2) notice of redemption has been given or will be given pursuant to this Indenture as described in Section 3.07 hereof prior to the date the Company is required to send notice of the Change of Control Offer to Holders of Notes, unless and until there is a default in the payment of the applicable redemption price or the redemption is not consummated due to the failure of a condition precedent contained in the applicable redemption notice to be satisfied; *provided* that in the case of this clause (2), such redemption shall not be subject to any conditions precedent (other than the occurrence of such Change of Control).

(e) Notwithstanding anything to the contrary set forth herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(f) Other than as specifically provided in this Section 4.10, any repurchase pursuant to this Section 4.10 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06 hereof, and references therein to “redeem,” “redemption,” “Redemption Date” and similar words shall be deemed to refer to “purchase,” “repurchase,” “Change of Control Payment Date” and similar words, as applicable.

(g) The Company’s obligation to make an offer to repurchase the Notes pursuant to this Section 4.10 may be waived or modified with the written consent of the Holders of a majority in principal amount of the Notes then outstanding.

(h) If Holders of at least 90% in aggregate principal amount of the then outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any other Person making a Change of Control Offer in lieu of the Company as described above, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such other Person will have the right, upon not less than 30 nor more than 60 days’ prior notice, given not more than 60 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase at a redemption price in cash equal to the applicable Change of Control Payment *plus*, to the extent not included in the Change of Control Payment, accrued and unpaid interest to, but excluding, the date of redemption.

4.11 Transactions with Affiliates.

(a) The Company will not, and will not permit any of its Subsidiaries to, directly or indirectly, enter into any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property or the rendering of any service) with, or for the benefit of, any of its Affiliates involving aggregate payments, or transfers of property or services with a Fair Market Value, in excess of \$25 million (each, an “Affiliate Transaction”), unless:

(1) the terms of such Affiliate Transaction are no less favorable to the Company or such Subsidiary, as the case may be, than those that could reasonably be expected to be obtained in a comparable transaction at such time on an arm's-length basis from a Person that is not an Affiliate of the Company as determined in good faith by the Board of Directors of the Company or a member of the senior management of the Company; and

(2) in the event that such Affiliate Transaction involves aggregate payments, or transfers of property or services with a Fair Market Value, in excess of \$50 million, the terms of such Affiliate Transaction are approved by a majority of the members of the Board of Directors of the Company (including a majority of the disinterested members thereof), the approval to be evidenced by a board resolution stating that the Board of Directors of the Company has determined that such transaction complies with the provisions of this clause (a).

(b) Section 4.11(a) hereof shall not apply to:

(1) Affiliate Transactions with or among the Company and any Subsidiary or between or among Subsidiaries;

(2) the entering into, maintaining or performing of any: collective bargaining agreement; benefit plan; stock option, share ownership, phantom stock or similar plan; or program, contract or other similar arrangement for or with any employee, officer, director or consultant of the Company or its Subsidiaries entered into in the ordinary course of business in good faith by the Company, including vacation, health, insurance, deferred compensation, severance, retirement, savings or other similar plans, programs or arrangements;

(3) the payment of customary fees and indemnities (including under customary insurance) to current and former directors, officers and consultants of the Company and its Subsidiaries;

(4) Affiliate Transactions undertaken pursuant to any contractual obligations or rights in existence on the Issue Date (as in effect on the Issue Date with modifications and extensions thereof not materially adverse to the Company and its Subsidiaries);

(5) transactions with franchisees, customers, clients, suppliers, or purchasers or sellers of goods or services in the ordinary course of business and otherwise in compliance with the terms of the Indenture that are, as determined in good faith by the Board of Directors or senior management of the Company, on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(6) loans and advances to officers, directors and employees of the Company or any Subsidiary for travel, entertainment, moving and other relocation expenses, in each case made in the ordinary course of business in accordance with past practices of the Company or any Subsidiary, as applicable; and

(7) transactions in which the Company or any of its Subsidiaries, as the case may be, delivers to the Trustee a letter from an independent financial advisor stating that such transaction is fair to the Company or such Subsidiary from a financial point of view or stating that the terms are not materially less favorable, when taken as a whole, to the Company or its

relevant Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Subsidiary with an unrelated Person on an arm's-length basis.

4.12 Additional Guarantees.

If, after the Issue Date, (a) any Wholly Owned Subsidiary of the Company (including any newly formed, newly acquired or newly redesignated Subsidiary, but excluding any Guarantor) guarantees (or becomes a co-borrower or co-issuer in respect of) any Credit Facility (or commitments therefor) or Capital Markets Debt of the Company or any Guarantor, (b) any Subsidiary of the Company that is not a Wholly Owned Subsidiary of the Company guarantees (or becomes a co-borrower or co-issuer in respect of) any Credit Facility (or commitments therefor) or Capital Markets Debt of the Company or any Guarantor in a principal or committed amount greater than \$100 million or (c) the Company otherwise elects to have any Subsidiary become a Guarantor, then, in the case of clause (a) or (b) above within 30 days of the event under such clause occurring and in the case of clause (c) above at the Company's election, the Company shall cause such Subsidiary to execute and deliver to the Trustee a supplemental indenture in the form of Exhibit D attached hereto or in any other form and substance reasonably satisfactory to the Trustee pursuant to which such Subsidiary shall unconditionally guarantee all of the Company's obligations under the Notes and this Indenture.

ARTICLE V

SUCCESSORS

5.01 Merger, Consolidation or Sale of Assets.

(a) The Company will not, in a single transaction or series of related transactions, merge, amalgamate or consolidate with or into any Person or sell, assign, transfer, lease, convey or otherwise dispose of (or cause or permit any Subsidiary of the Company to sell, assign, transfer, lease, convey or otherwise dispose of) all or substantially all of the Company's assets (determined on a consolidated basis for the Company and its Subsidiaries), whether as an entirety or substantially as an entirety, to any Person unless:

(i) either:

(1) the Company shall be the surviving or continuing corporation; or

(2) the Person (if other than the Company) formed by such consolidation or amalgamation or into which the Company is merged or the Person that acquires by sale, assignment, transfer, lease, conveyance or other disposition the properties and assets of the Company and its Subsidiaries as an entirety or substantially as an entirety (the "Surviving Entity");

(x) shall be a Person organized and validly existing under the laws of the United States, any State thereof or the District of Columbia; *provided*, that in the case where the Surviving Entity is not a corporation, a co-obligor of the Notes is a corporation; and

(y) shall expressly assume, by supplemental indenture (in form and substance reasonably satisfactory to the Trustee) executed and delivered to the Trustee, the due and punctual payment of the principal of, and premium, if any, and interest on, all of the Notes and the performance of every covenant of the Notes and this Indenture on the part of the Company to be performed or observed;

(ii) immediately after giving effect to such transaction or series of transactions and the assumption contemplated by Section 5.01(a)(i)(2)(y) hereof (including giving effect to any Lien granted in connection with or in respect of such transaction), no Default shall have occurred and be continuing; and

(iii) the Company or such Surviving Entity, as the case may be, shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such merger, amalgamation, consolidation, sale, assignment, transfer, lease, conveyance or other disposition, and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, complies with the applicable provisions of this Indenture and that all conditions precedent in this Indenture relating to such transaction have been satisfied.

Notwithstanding the foregoing, the merger of the Company with an Affiliate incorporated solely for the purpose of reincorporating the Company in another State of the United States or the District of Columbia shall be permitted, and any Subsidiary may consolidate, amalgamate or merge with or into or wind up into or sell, assign, lease, convey, transfer or otherwise dispose of all or part of its properties and assets to the Company. For purposes of the foregoing, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Subsidiaries of the Company, the Capital Stock of which constitutes all or substantially all of the properties and assets of the Company, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

(b) Each Guarantor will not, and the Company will not permit any Guarantor to, in a single transaction or series of related transactions, consolidate, amalgamate or merge with or into any Person other than the Company or any other Guarantor unless:

(i) if the Guarantor was a Person organized under the laws of the United States, any State thereof or the District of Columbia, the entity formed by or surviving any such consolidation, amalgamation or merger (if other than the Guarantor) is a Person organized and existing under the laws of the United States, any State thereof or the District of Columbia; and

(ii) such entity assumes by supplemental indenture all of the obligations of the Guarantor on its Guarantee;

such Guarantor or such entity, as the case may be and in each case, being herein called the "Successor Person."

Notwithstanding the foregoing, the requirements of this Section 5.01(b) will not apply to any transaction pursuant to which such Guarantor is permitted to be released from its Guarantee in accordance with the provisions of Section 10.06 hereof.

Notwithstanding the foregoing, any Guarantor may (1) merge, amalgamate or consolidate with or into, wind up into or sell, assign, transfer, lease, convey or otherwise dispose of all or part of its properties and assets to another Guarantor or the Company, (2) merge with an Affiliate of the Company solely for the purpose of reincorporating the Guarantor in the United States, any State thereof or the District of Columbia, (3) convert into a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor or (4) liquidate or dissolve or change its legal form if the Company determines in good faith that such action is in the best interests of the Company and is not materially disadvantageous to the Holders of the Notes.

5.02 Successor Person Substituted. Upon any consolidation, amalgamation or merger of the Company or a Guarantor in accordance with Section 5.01 hereof, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of the Company in accordance with Section 5.01 hereof, the successor Person formed by such consolidation or amalgamation or into which the Company or such Guarantor, as applicable, is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, amalgamation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture, the Notes and the Guarantees referring to the Company or such Guarantor, as applicable, shall refer instead to the Successor Person and not to the Company or such Guarantor, as applicable), and may exercise every right and power of, the Company or such Guarantor, as applicable, under this Indenture, the Notes and the Guarantees with the same effect as if such successor Person had been named as the Company or a Guarantor, as applicable, herein, and, in the case of a predecessor Company or a Guarantor, shall be automatically released from its obligations hereunder and thereunder; *provided*, that the predecessor Company or Guarantor shall not be released from the obligations under this Indenture, the Notes and the Guarantees in the case of a lease.

ARTICLE VI

DEFAULTS AND REMEDIES

6.01 Events of Default. An “Event of Default,” wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or shall be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default for 30 consecutive days in the payment when due of interest on the Notes;

(2) default in payment when due of the principal of or premium, if any, on the Notes (including default in payment when due in connection with the purchase of Notes tendered pursuant to a Change of Control Offer on the date specified for such payment in the applicable Change of Control Offer);

(3) failure by the Company to comply with its obligations under Section 5.01 hereof;

(4) a default by the Company in the observance or performance of its obligations under Section 4.03 hereof, which default continues for a period of 120 days after receipt by the Company of written notice from the Trustee thereof;

(5) a default in the observance or performance of any other covenant or agreement contained in this Indenture, which default continues for a period of 60 days after the Company receives written notice specifying the default (and demanding that such default be remedied) from the Trustee or the Holders (with a copy to the Trustee) of at least 25.0% of the outstanding principal amount of the Notes;

(6) the failure to pay at final stated maturity (giving effect to any applicable grace periods and any extensions thereto) the principal amount of any Indebtedness of the Company or any Significant Subsidiary of the Company, or any other default resulting in the acceleration of the final stated maturity of any such Indebtedness, if the aggregate principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at final maturity or that has been accelerated, aggregates \$100 million or more at any time; *provided*, that if any such default is cured or waived or any acceleration rescinded or such Indebtedness is repaid within a period of 20 days from the continuation of such default beyond any applicable grace period or the occurrence of such acceleration, as the case may be, such Event of Default under this Indenture and any consequential acceleration of the Notes shall automatically be rescinded so long as such rescission does not conflict with any judgment or decree;

(7) one or more judgments in an aggregate amount in excess of \$100 million (to the extent not covered by independent third party insurance as to which the insurer has not disclaimed coverage) shall have been rendered against the Company or any of its Significant Subsidiaries and such judgments remain undischarged, unpaid or unstayed for a period of 90 days after such judgment or judgments become final and non-appealable;

(8) except as permitted by this Indenture, any Guarantee of any Significant Subsidiary shall be held by a court of competent jurisdiction in any non-appealable judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect or any Guarantor that is a Significant Subsidiary, or any Person acting on behalf of any such Guarantor, shall deny or disaffirm in writing its obligations under its Guarantee;

(9) the Company or any of its Significant Subsidiaries, pursuant to or within the meaning of any Bankruptcy Law:

(i) commences proceedings to be adjudicated bankrupt or insolvent;

(ii) consents to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief, under applicable Bankruptcy Law;

(iii) consents to the appointment of a receiver, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property;

(iv) makes a general assignment for the benefit of its creditors; or

(v) generally is not paying its debts as they become due; or

(10) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against the Company or any of its Significant Subsidiaries, in a proceeding in which the Company or any such Significant Subsidiary is to be adjudicated bankrupt or insolvent;

(ii) appoints a receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or any of its Significant Subsidiaries, or for all or substantially all of the property of the Company or any of its Significant Subsidiaries; or

(iii) orders the liquidation of the Company or any of its Significant Subsidiaries and the order or decree remains unstayed and in effect for 60 consecutive days.

6.02 Acceleration.

(a) If an Event of Default (other than an Event of Default specified in Section 6.01(9) or 6.01(10) hereof with respect to the Company) occurs and is continuing under this Indenture, the Trustee, by written notice to the Company, or the Holders of at least 25.0% in principal amount of the then total outstanding Notes by written notice to the Company and the Trustee, may declare all amounts owing under the Notes to be due and payable immediately. Upon such declaration of acceleration, the aggregate principal of, and premium, if any, and accrued and unpaid interest on, the outstanding Notes shall be due and payable immediately. The Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in the Holders' interest. The Trustee shall have no obligation to accelerate the Notes if the Trustee in its judgment determines that acceleration is not in the best interests of the Holders.

(b) Notwithstanding the foregoing, in the case of an Event of Default arising under Section 6.01(9) or 6.01(10) hereof with respect to the Company, then all unpaid principal of, and premium, if any, and accrued and unpaid interest on, all outstanding Notes shall *ipso facto* become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

(c) At any time after a declaration of acceleration with respect to the Notes as described in Sections 6.02(a) and 6.02(b) hereof, but before a judgment or decree based on acceleration, the Holders of a majority in principal amount of the Notes may rescind and cancel such declaration and its consequences if:

(i) the rescission would not conflict with any judgment or decree;

(ii) all existing Events of Default have been cured or waived except non-payment of principal or interest that has become due solely because of the acceleration; and

(iii) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid.

No such rescission shall affect any subsequent Default or impair any right consequent thereto.

6.03 Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, and premium, if any, and interest on, the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair such right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

6.04 Waiver of Past Defaults. Subject to Section 6.02 hereof, Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences hereunder (except a continuing Default in the payment of principal of or interest on any Notes) (including in connection with a Change of Control Offer). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

6.05 Control by Majority. Holders of a majority in principal amount of the then total outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability.

6.06 Limitation on Suits. Subject to Section 6.07 hereof, no Holder of a Note may institute any proceeding or pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 25.0% in principal amount of the total outstanding Notes have requested in writing the Trustee to pursue the remedy;
- (3) Holders have offered and, if requested, provided the Trustee security or indemnity satisfactory to it against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity;
and

(5) Holders of a majority in principal amount of the total outstanding Notes have not given the Trustee a direction inconsistent with such written request within such 60-day period.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note (it being understood that the Trustee shall not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

6.07 Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, and premium, if any, and interest on, the Note, on or after the respective due dates expressed in the Note (including in connection with a Change of Control Offer but excluding any payments due by reason of an acceleration that has been cured or waived), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

6.08 Collection Suit by Trustee. If an Event of Default specified in Section 6.01(1) or 6.01(2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, and premium, if any, and interest remaining unpaid on, the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

6.09 Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

6.10 Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 hereof, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder or otherwise shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

6.11 Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any

such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article VI or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

6.12 Trustee May File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Company or any Guarantor, their creditors or their property, and shall be entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims. Any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee on behalf of such Holder and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel and any other amounts due the Trustee under Section 7.06 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee and its agents and counsel and any other amounts due the Trustee under Section 7.06 hereof out of the estate in any such proceeding shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding, whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing contained herein shall be deemed to authorize the Trustee to authorize, consent to, accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

6.13 Priorities. If the Trustee or any Agent collects any money or property pursuant to this Article VI, it shall pay out the money or property in the following order:

- (i) to the Trustee, such Agent, their agents and their attorneys for amounts due under this Indenture, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee or such Agent and the costs and expenses of collection;
- (ii) to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and
- (iii) to the Company or to such party as a court of competent jurisdiction shall direct, including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13.

6.14 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof or a suit by Holders of more than 10.0% in principal amount of the then outstanding Notes.

ARTICLE VII

TRUSTEE

7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture on behalf of the Holders and will use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture, the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of willful misconduct or bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; however, in the case of any such certificates or opinions that by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(i) this Section 7.01(c) does not limit the effect of Section 7.01(b) hereof;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to this Indenture.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to Sections 7.01(a), 7.01(b) and 7.01(c) hereof.

(e) The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any of the Holders unless the Holders have offered and, if requested, provided to the Trustee indemnity or security satisfactory to it against any loss, liability or expense that might be incurred by it in compliance with such request or direction.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

7.02 Rights of Trustee.

(a) The Trustee may conclusively rely upon and shall be fully protected in acting or refraining from acting upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company, and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection, and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any attorney or agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event that is in fact such a Default or Event of Default is actually received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damages of any kind whatsoever (including loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damages and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder and each agent, custodian and other Person employed to act hereunder.

(j) Delivery of reports, information and documents to the Trustee is for informational purposes only, and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(k) The permissive rights of the Trustee to take certain actions under this Indenture shall not be construed as a duty unless so specified herein.

(l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(m) The Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

7.03 Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any of its Affiliates with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest, it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties.

7.04 Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

7.05 Notice of Defaults. If a Default occurs and is continuing and if it is actually known to a Responsible Officer the Trustee, the Trustee shall deliver to Holders a notice of the Default within 90 days after it occurs. Except in the case of a Default relating to the payment of principal of, or premium, if any, or interest on, any Note, the Trustee may withhold from the Holders notice of any continuing Default if and so long as it in good faith determines that withholding the notice is in the interests of the Holders.

7.06 Compensation and Indemnity.

The Company shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the Company and the Trustee shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon request for all reasonable and documented out-of-pocket disbursements, advances and expenses incurred or made by it, in addition to the compensation for its services. Such expenses shall include the reasonable and documented compensation, disbursements and expenses of the Trustee's agents and counsel.

The Company and the Guarantors, jointly and severally, shall indemnify the Trustee for, and hold the Trustee harmless against, any and all loss, damage, claims, liability or expense (including reasonable attorneys' fees and expenses and court costs) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the reasonable costs and expenses of enforcing this Indenture against the Company or any of the Guarantors (including this Section 7.06) or defending itself against any claim, whether asserted by any Holder, the Company, any Guarantor or any other Person, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder, but excluding taxes imposed on such Persons in connection with compensation for such administration or performance). The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend such claim, and the Trustee may have separate counsel, the reasonable and documented fees and expenses of which the Company shall pay. Neither the Company nor any Guarantor shall be required to reimburse any expense or to indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or gross negligence. Neither the Company nor any Guarantor shall be required to pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Company under this Section 7.06 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

To secure the payment obligations of the Company and the Guarantors in this Section 7.06, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except for money or property held in trust to pay the principal of, and premium, if any, and interest on, particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(9) or 6.01(10) hereof occurs, the expenses and the compensation for the services (including the reasonable fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

7.07 Replacement of Trustee. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07. The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing not less than 30 days prior to the effective date of such removal. The Company may remove the Trustee if:

- (A) the Trustee is adjudged bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (B) a custodian or public officer takes charge of the Trustee or its property; or
- (C) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Company's expense), the Company or the Holders of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail or otherwise deliver a notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided*, that all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.06 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under Section 7.06 hereof shall continue for the benefit of the retiring Trustee.

The resigning Trustee shall have no responsibility or liability for any action or inaction of a successor Trustee.

7.08 Successor Trustee by Merger, etc. If the Trustee merges, amalgamates or consolidates with or into, or transfers all or substantially all of its corporate trust business to, another corporation or banking association, the successor corporation or banking association without any further act shall be the successor Trustee.

ARTICLE VIII

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

8.01 Option to Effect Legal Defeasance or Covenant Defeasance. The Company may, at its option and at any time, elect to have either Section 8.02 or 8.03 hereof applied to all outstanding Notes and all obligations of the Guarantors with respect to the Guarantees upon compliance with the conditions set forth below in this Article VIII.

8.02 Legal Defeasance and Discharge. Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes and Guarantees on the date the conditions set forth below are satisfied ("Legal Defeasance"). For this purpose, Legal Defeasance means that the Company and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, including that of the Guarantors under their Guarantees, which Indebtedness shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof, to have cured all then existing Events of Default and to have satisfied all of its other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions that shall survive until otherwise terminated or discharged hereunder:

- (A) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, and premium, if any, and interest on, such Notes when such payments are due from the trust created pursuant to this Indenture referred to in Section 8.04 hereof;
- (B) the Company's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (C) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's obligations in connection therewith; and
- (D) this Section 8.02.

Subject to compliance with this Article VIII, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

8.03 Covenant Defeasance. Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from their obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.07, 4.08, 4.10, 4.11, 4.12, 5.01(a)(ii) and 5.01(b) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied ("Covenant Defeasance"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it

being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and the Guarantees, the Company and the Guarantors may omit to comply with, and shall have no liability in respect of, any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document, and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and the Guarantees shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(4), 6.01(5) (solely with respect to the covenants that are released upon a Covenant Defeasance), 6.01(6), 6.01(7), 6.01(8), 6.01(9) (solely with respect to the Company's Subsidiaries) and 6.01(10) (solely with respect to the Company's Subsidiaries) hereof shall not constitute Events of Default.

8.04 Conditions to Legal Defeasance or Covenant Defeasance. In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, U.S. Government Obligations or a combination thereof, in such amounts as will be sufficient (without consideration of any reinvestment of interest), in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, and premium, if any, and interest on, the outstanding Notes on the Stated Maturity or on the applicable Redemption Date, as the case may be, and the Company must specify whether the Notes are being defeased to maturity or to a particular Redemption Date; *provided*, that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of redemption (any such amount, the "Applicable Premium Deficit") only required to be deposited with the Trustee on or prior to the applicable Redemption Date; any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(2) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions:

(A) the Company has received from, or there has been published by, the United States Internal Revenue Service a ruling;

or

(B) since the Issue Date, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or

loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, the Credit Agreement or any other material agreement or instrument (other than this Indenture) to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(6) the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that, as of the date of such opinion and subject to customary assumptions and exclusions, following the deposit, the trust funds will not be subject to the effect of Section 547 of Title 11 of the United States Code;

(7) the Company shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or any Guarantor or others; and

(8) the Company must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions), each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

8.05 Deposited Money and U.S. Government Obligations to Be Held in Trust; Other Miscellaneous Provisions. Subject to Section 8.06 hereof, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee) pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee (or other qualifying trustee) in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee (or other qualifying trustee) against any tax, fee or other charge imposed on or assessed against the cash or U.S. Government

Obligations deposited pursuant to this Indenture or the principal and interest received in respect thereof other than any such tax, fee or other charge that by law is for the account of the Holders of the outstanding Notes.

Anything in this Article VIII to the contrary notwithstanding, the Trustee (or other qualifying trustee) shall deliver or pay to the Company from time to time upon the request of the Company any money or U.S. Government Obligations held by it as provided in Section 8.04 hereof that, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (or other qualifying trustee) (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

8.06 Repayment to Company. Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, or premium, if any, or interest on, any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust, and the Holder of such Note shall thereafter look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

8.07 Reinstatement. If the Trustee or any Paying Agent is unable to apply any United States dollars or U.S. Government Obligations in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture and the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or such Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided*, that, if the Company makes any payment of principal of, or premium, if any, or interest on, any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or such Paying Agent.

ARTICLE IX

AMENDMENT, SUPPLEMENT AND WAIVER

9.01 Without Consent of Holders. Notwithstanding Section 9.02 hereof, the Company, any Guarantor (with respect to a Guarantee or this Indenture to which it is a party) and the Trustee may amend or supplement this Indenture and any Guarantee or Notes without the consent of any Holder:

- (1) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;

- Holders;
- (3) to comply with Section 5.01 hereof and to provide the assumption of the Company's or any Guarantor's obligations to the
- (4) to make any change that would provide any additional rights or benefits to the Holders of Notes or that does not adversely affect in any material respect the legal rights under this Indenture of any such Holder;
- (5) to add any Person as a Guarantor;
- Indenture Act;
- (6) to comply with any requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust
- (7) to remove a Guarantor that, in accordance with the terms of this Indenture, ceases to be liable in respect of its Guarantee;
- (8) to evidence and provide for the acceptance of appointment under this Indenture by a successor Trustee;
- (9) to secure all of the Notes;
- (10) to add to the covenants of the Company or any Guarantor for the benefit of the Holders or to surrender any right or power conferred upon the Company or any Guarantor;
- Offering Memorandum;
- (11) to conform the text of this Indenture, the Guarantees or the Notes to any provision of the "Description of Notes" section of the
- (12) to release and discharge any Liens securing the Notes and the Guarantees when permitted by this Indenture;
- (13) to provide for the issuance of Additional Notes in accordance with the terms of this Indenture;
- (14) to provide for the issuance of exchange notes or private exchange notes, which are identical to exchange notes except that they are not freely transferable; and
- (15) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including to facilitate the issuance and administration of the Notes; *provided*, that (a) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act and the rules and regulations of the SEC promulgated thereunder, or any other applicable securities law, and (b) such amendment does not materially and adversely affect the rights of Holders to transfer Notes.

Upon the request of the Company accompanied by a resolution of the Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof (to the extent requested by the Trustee), the Trustee shall join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be contained therein, but the

Trustee shall have the right, but not be obligated, to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise. The addition of a Guarantor under this Indenture shall be effected by the execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit D attached hereto, *provided* that the execution thereof shall be deemed a representation by such Guarantor(s) that all conditions precedent and covenants, if any, relating to the execution of such supplemental indenture have been satisfied and the supplemental indenture is enforceable in accordance with its terms subject to (i) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and similar laws affecting the rights and remedies of creditors generally and (ii) general principles of equity.

9.02 **With Consent of Holders.** Except as provided below in this Section 9.02, the Company, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes and the Guarantees with the consent of the Holders of a majority in principal amount of the Notes then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, or premium, if any, or interest on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Guarantees or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Sections 2.08 and 2.09 hereof shall determine which Notes are considered to be “outstanding” for the purposes of this Section 9.02.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof. A consent to any amendment, supplement or waiver under this Indenture by any Holder of Notes given in connection with a tender of such Holder’s Notes will not be rendered invalid by such tender.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company shall deliver to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to deliver such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver.

Without the consent of each affected Holder of Notes, an amendment, supplement or waiver under this Section 9.02 may not, with respect to any Notes held by a non-consenting Holder:

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver, including the waiver of Defaults or Events of Default, or to a rescission and cancellation of a declaration of acceleration of the Notes;
- (2) reduce the rate of or change the time for payment of interest, including defaulted interest, on any Notes;
- (3) reduce the principal of or change the fixed maturity of any Notes, or change the date on which any Notes may be subject to redemption, or reduce the redemption price therefor; *provided* that any amendment to the minimum notice requirement may be made with the consent of the Holders of a majority in principal amount of Notes then outstanding;
- (4) make any Notes payable in money other than that stated in the Notes;
- (5) make any change in the provisions of this Indenture protecting the right of each Holder to receive payment of principal of and interest on such Note on or after the due date thereof or to bring suit to enforce such payment;
- (6) waive a Default in the payment of principal of or interest on any Note; *provided* that this Section 9.02(6) shall not limit the right of the Holders of a majority in principal amount of Notes then outstanding to rescind and cancel a declaration of acceleration of the Notes following delivery of an acceleration notice and shall not effect a waiver of the payment Default that resulted from any such acceleration;
- (7) release any Guarantor that is a Significant Subsidiary from any of its obligations under its Guarantee or this Indenture, except as permitted by this Indenture;
- (8) make any change in this Article IX that is materially adverse to the Holders; or
- (9) contractually subordinate the Notes or the Guarantees to any other Indebtedness in a manner materially adverse to Holders.

9.03 Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver. If a record

date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite amount of Holders has been obtained.

9.04 Notation on or Exchange of Notes. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

9.05 Trustee to Sign Amendments, etc. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amendment, supplement or waiver until the Board of Directors of the Company approves it. In executing any amendment, supplement or waiver, the Trustee shall receive, and shall be fully protected in relying conclusively upon, in addition to the documents required by Section 12.02 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amendment, supplement or waiver is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Company and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof.

ARTICLE X

GUARANTEES

10.01 Guarantees. Subject to this Article X, each of the Guarantors hereby, jointly and severally, irrevocably and unconditionally guarantees, on an unsecured basis, to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that: (a) the principal of and interest and premium, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption, repurchase or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder, including for expenses, indemnification or otherwise, shall be promptly paid in full, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same promptly. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance that might otherwise constitute a legal or equitable discharge or defense of a guarantor (other than payment in full of all of the obligations of the Company hereunder and under the Notes). Each Guarantor hereby waives, to the fullest extent permitted by law, diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Guarantee shall not be discharged except by full payment of the obligations contained in the Notes and this Indenture or by release in accordance with the provisions of this Indenture.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors any amount paid either to such Holder or the Trustee, then this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Until terminated in accordance with Section 10.06 hereof, each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article VI hereof for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article VI hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Guarantee. The Guarantors shall have the right to seek contribution from any nonpaying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantees.

Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company for liquidation or reorganization, should the Company become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or the Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment had not been made. In the event that any payment or any part thereof is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated

and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

The Guarantee issued by any Guarantor shall be a general unsecured senior obligation of such Guarantor and shall be *pari passu* in right of payment with all existing and future senior Indebtedness of such Guarantor, if any.

Each payment to be made by a Guarantor in respect of its Guarantee shall be made without setoff, counterclaim, reduction or diminution of any kind or nature.

10.02 Limitation on Guarantor Liability. Each Guarantor, and, by its acceptance of the Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor does not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article X, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

10.03 Execution and Delivery. Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates a Note, the Guarantee of such Guarantor shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

If required by Section 4.12 hereof, the Company shall cause any newly created or acquired Subsidiary of the Company to comply with the provisions of Section 4.12 hereof and this Article X, to the extent applicable.

10.04 Subrogation. Subject to the fifth paragraph of Section 10.01 hereof and subject to Section 10.02 hereof, each Guarantor shall be subrogated to all rights of Holders against the Company in

respect of any amounts paid by any Guarantor pursuant to the provisions of Section 10.01 hereof; *provided*, that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Company under this Indenture or the Notes shall have been paid in full.

10.05 Benefits Acknowledged. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee are knowingly made in contemplation of such benefits.

10.06 Release of Guarantees. Each Guarantee by a Guarantor shall be automatically and unconditionally released and discharged and shall thereupon terminate and be of no further force and effect, and no further action by such Guarantor, the Company or the Trustee is required for the release of such Guarantor's Guarantee:

- (1) upon any sale or other disposition (by merger, amalgamation, consolidation or otherwise) of (i) all or substantially all of the assets of that Guarantor in accordance with this Indenture or (ii) the Capital Stock of such Guarantor, in each case, after which such Guarantor is no longer a Subsidiary;
- (2) if such Guarantor merges with and into the Company or another Guarantor, with the Company or such other Guarantor surviving such merger;
- (3) upon the exercise by the Company of its Legal Defeasance option or Covenant Defeasance option in accordance with Article VIII hereof or the discharge of the Company's obligations under this Indenture as described in Article XI hereof;
- (4) if a Guarantor ceases to be a Wholly Owned Subsidiary of the Company and such Guarantor is not otherwise required to provide a Guarantee of the Notes pursuant to the provisions of Section 4.12 hereof; or
- (5) upon the release or discharge of the guarantee by such Guarantor of Indebtedness under the Credit Agreement (to the extent the reason that the Guarantee of such Guarantor was provided was because of its guarantee of obligations under the Credit Agreement), or the release or discharge of such other guarantee that resulted in the creation of such Guarantee (to the extent the reason that the Guarantee of such Guarantor was provided was because of such other guarantee), except, in each case, a discharge or release by or as a result of payment under such guarantee (it being understood that a release subject to a contingent reinstatement is still a release, and that, if any such guarantee is so reinstated, such Guarantee shall also be reinstated to the extent that such Guarantor would then be required to provide a Guarantee pursuant to the provisions of Section 4.12 hereof).

ARTICLE XI

SATISFACTION AND DISCHARGE

11.01 Satisfaction and Discharge. This Indenture shall be discharged and shall cease to be of further effect (except as to surviving rights of registration of transfer or exchange of Notes, as expressly provided for in this Indenture) as to all Notes, when either:

(1) all the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company as provided for hereunder) have been delivered to the Registrar for cancellation and:

(i) the Company has paid all sums payable under this Indenture by the Company; and

(ii) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with; or

(2) the Company shall have given notice of redemption of all of the Notes, all of the Notes shall have otherwise become due and payable or all of the Notes will become due and payable, or may be called for redemption, within one year, and:

(i) the Company has irrevocably deposited or caused to be deposited with the Trustee or another trustee funds, in trust solely for the benefit of the Holders, U.S. legal tender, U.S. Government Obligations or a combination thereof, in such amounts as will be sufficient (without consideration of any reinvestment of interest) to pay and discharge the entire indebtedness (including all principal and accrued interest) on the Notes not theretofore delivered to the Trustee for cancellation, together with irrevocable instructions from the Company directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be; *provided*, that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption; any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(ii) the Company has paid all other sums payable under this Indenture; and

(iii) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been deposited with the Trustee pursuant to Section 11.01(2)(i) hereof, the provisions of Sections 7.06, 8.06 and 11.02 hereof shall survive such satisfaction and discharge.

11.02 Application of Trust Money. Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company or a Guarantor acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or any Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; *provided*, that, if the Company has made any payment of principal of, or premium, if any, or interest on, any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or such Paying Agent.

If the Company delivers or mails a notice or other communication to Holders, it shall deliver or mail a copy to the Trustee and each Agent at the same time.

standing instructions from the Depository or its designee, including by electronic mail in accordance with accepted practices at the Depository.

12.02 Certificate and Opinion as to Conditions Precedent. Upon any request or application by the Company or any of the Guarantors to the Trustee to take any action under this Indenture (other than as set forth in the last sentence of Section 9.05 hereof and, with respect to clause (B) below, in connection with the initial issuance of Notes on the Issue Date), the Company or such Guarantor, as the case may be, shall furnish to the Trustee:

(A) an Officer's Certificate in form reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 12.03 hereof) stating that, in the opinion of the signers, all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been satisfied; and

(B) an Opinion of Counsel in form reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 12.03 hereof) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been satisfied.

12.03 Statements Required in Certificate or Opinion. Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture shall include:

(A) a statement that the Person making such certificate or opinion has read such covenant or condition;

(B) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(C) a statement that, in the opinion of such Person, such Person has made such examination or investigation as is necessary to enable such Person to express an informed opinion as to whether or not such covenant or condition has been complied with (and, in the case of an Opinion of Counsel, may be limited to reliance on an Officer's Certificate as to matters of fact); and

(D) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been complied with; *provided, however,* that with respect to matters of fact, an Opinion of Counsel may rely on an Officer's Certificate or certificates of public officials.

12.04 Rules by Trustee and Agents. The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or any Paying Agent may make reasonable rules and set reasonable requirements for its functions.

12.05 No Personal Liability of Directors, Officers, Employees and Stockholders. No past, present or future director, officer, employee, member, manager, partner, incorporator or stockholder of the Company or any Guarantor, or any subsidiary of the Company and the Guarantors, other than, in each case, the Company and the Guarantors, shall have any liability for any obligations of the Company or the Guarantors under the Notes, this Indenture or the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their

creation. Each Holder of Notes by accepting a Note waives and releases all such liability. Such waiver and release are part of the consideration for issuance of the Notes.

12.06 Governing Law. THIS INDENTURE, THE NOTES AND ANY GUARANTEE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THEREOF.

12.07 Waiver of Jury Trial. EACH OF THE COMPANY, EACH GUARANTOR AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

12.08 Force Majeure. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused by, directly or indirectly, forces beyond its reasonable control, including strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes, acts of God, or interruptions, loss or malfunctions of utilities, communications or computer (software or hardware) services.

12.09 No Adverse Interpretation of Other Agreements. This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Company or its Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

12.10 Successors. All agreements of the Company in this Indenture and the Notes shall bind its successors. All agreements of the Trustee in this Indenture shall bind its successors. All agreements of each Guarantor in this Indenture shall bind its successors, except as otherwise provided in Section 10.06 hereof.

12.11 Severability. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

12.12 Counterpart Originals. The parties hereto may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. This Indenture may be executed in multiple counterparts, which, when taken together, shall constitute one instrument. The words "execution," "signed" and "signature" and words of like import in this Indenture or in any other certificate, agreement or document related to this Indenture (to the extent not prohibited under governing documents) shall include images of manually executed signatures transmitted by facsimile or other electronic format (including ".pdf," ".tif" or ".jpg") and other electronic signatures (including DocuSign and AdobeSign). The use of electronic signatures and electronic records (including any contract or other record created, generated, sent, communicated, received or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the

Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act and any other applicable law, including any state law based on the Uniform Electronic Transactions Act or the UCC. The Trustee shall have the right to accept and act upon any notice, instruction or other communication, including any funds transfer instruction (each, a “Notice”), received pursuant to this Indenture by electronic transmission (including by e-mail, facsimile transmission, web portal or other electronic methods) and shall not have any duty to confirm that the person sending such Notice is, in fact, a person authorized to do so. Electronic signatures believed by the Trustee to comply with the ESIGN Act of 2000 or other applicable law (including electronic images of handwritten signatures and digital signatures provided by DocuSign, Orbit, Adobe Sign or any other digital signature provider identified by any other party hereto and acceptable to the Trustee) shall be deemed original signatures for all purposes. Each other party to this Indenture assumes all risks arising out of the use of electronic signatures and electronic methods to send Notices to the Trustee, including the risk of the Trustee acting on an unauthorized Notice and the risk of interception or misuse by third parties. Notwithstanding the foregoing, the Trustee may in any instance and in its sole discretion require that a Notice in the form of an original document bearing a manual signature be delivered to the Trustee in lieu of, or in addition to, any such electronic Notice.

12.13 Table of Contents, Headings, etc. The Table of Contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and shall in no way modify or restrict any of the terms or provisions hereof.

12.14 USA PATRIOT Act. The parties hereto acknowledge that, in accordance with Section 326 of the USA PATRIOT Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify and record information that identifies each Person that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the USA PATRIOT Act.

12.15 No Qualification Under the Trust Indenture Act. Notwithstanding anything in this Indenture to the contrary, this Indenture is not qualified under the Trust Indenture Act and, accordingly, the Trust Indenture Act shall not apply to or in any way govern the terms of this Indenture.

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. INTEREST. Foot Locker, Inc. (the “Company”) promises to pay interest on the principal amount of this Note at a rate per annum of 4.000% from {October 5, 2021}{_____} through but excluding maturity of the Notes on October 1, 2029. The Company will pay interest on this Note semi-annually in arrears on April 1 and October 1 of each year, beginning {April 1, 2022}{_____} or, if any such day is not a Business Day, on the next succeeding Business Day (each, an “Interest Payment Date”). The Company will make each interest payment to the Holder of record of this Note on the immediately preceding March 15 and September 15 (each, a “Record Date”). Interest on this Note will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the rate borne by this Note, and it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the rate borne by this Note. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months. Each interest period will end on (but exclude) the relevant Interest Payment Date.

2. METHOD OF PAYMENT. The Company will pay interest on this Note to the Person who is the registered Holder of this Note at the close of business on the Record Date (whether or not a Business Day) next preceding the Interest Payment Date, even if this Note is cancelled after such Record Date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. Payments of principal of, and premium, if any, and interest on, the Notes will be payable at the office or agency of the Company maintained pursuant to Section 4.02 of the Indenture or, at the option of the Company, may be made by check mailed to the Holders at their addresses set forth in the Note Register, *provided*, that (a) all payments of principal of, and premium, if any, and interest on, Notes represented by Global Notes registered in the name of or held by the Depositary or its nominee will be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof and (b) all payments of principal of, and premium, if any, and interest on, Definitive Notes will be made by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion). Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. If any Interest Payment Date is not a Business Day, the required payment will be postponed and made on the next succeeding Business Day as if made on the date such payment was due, and no interest will accrue on such payment for the period from and after such Interest Payment Date to the date of such payment on the next succeeding Business Day.

3. PAYING AGENT AND REGISTRAR. Initially, U.S. Bank National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change

any Paying Agent or Registrar without prior notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

4. **INDENTURE.** The Company issued the Notes under an Indenture, dated as of October 5, 2021 (the “Indenture”), among Foot Locker, Inc., the Guarantors from time to time party thereto and the Trustee, as may be amended and supplemented from time to time. The Company shall be entitled to issue Additional Notes pursuant the Indenture, and such Additional Notes will vote as a class with the Notes issued on the Issue Date and otherwise be treated as Notes for purposes of the Indenture. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and the Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

5. **OPTIONAL REDEMPTION.**

(a) At any time prior to October 1, 2024, the Company may redeem all or a part of the Notes from time to time upon notice as set forth in Section 3.03 of the Indenture, at a redemption price equal to 100.0% of the principal amount of the Notes redeemed, *plus* the Applicable Premium, *plus* accrued and unpaid interest, if any, to (but excluding) the applicable Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

(b) If Holders of at least 90% in aggregate principal amount of the then outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any other Person making a Change of Control Offer in lieu of the Company as described in Section 4.10 of the Indenture, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such other Person will have the right, upon not less than 30 nor more than 60 days’ prior notice, given not more than 60 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase at a redemption price in cash equal to the applicable Change of Control Payment *plus*, to the extent not included in the Change of Control Payment, accrued and unpaid interest to, but excluding, the date of redemption.

(c) At any time prior to October 1, 2024, the Company may on any one or more occasions redeem up to 40.0% of the aggregate principal amount of Notes issued under the Indenture with the net cash proceeds of one or more Equity Offerings upon notice as set forth in Section 3.03 of the Indenture at a redemption price of 104.000% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to (but excluding) the applicable Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date); *provided* that: (1) at least 60.0% of the aggregate principal amount of Notes issued under the Indenture remains outstanding after each such redemption; and (2) the redemption occurs within 90 days after the closing of such Equity Offering.

(d) Except pursuant to clause (a), (b) or (c) of this Section 5 of this Note, the Notes will not be redeemable at the Company’s option prior to October 1, 2024.

However, under certain circumstances, the Company may be required to offer to repurchase Notes as described under Section 4.10 of the Indenture. In addition, the Company or its Affiliates may at any time and from time to time repurchase Notes in open-market transactions or tender offers or otherwise pursuant to Section 3.07(f) of the Indenture.

7. **NOTICE OF REDEMPTION.** Subject to Section 3.03 of the Indenture, the Company shall deliver electronically, mail or cause to be mailed by first-class mail (or otherwise deliver in accordance with Applicable Procedures) notices of redemption at least 30 days but not more than 60 days before the Redemption Date to each Holder to be redeemed at such Holder's registered address or otherwise in accordance with Applicable Procedures, except that redemption notices may be electronically delivered or mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with Article VIII or XI of the Indenture.

8. **OFFERS TO REPURCHASE.** Upon the occurrence of a Change of Control Triggering Event, the Company shall make a Change of Control Offer in accordance with Section 4.10 of the Indenture.

9. **DENOMINATIONS, TRANSFER, EXCHANGE.** The Notes are in registered form without coupons in minimum denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not issue, exchange or register the transfer of any Note or portion of a Note selected for redemption (except for the unredeemed portion of any such Note being redeemed in part) or any Note tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer. Also, the Company need not issue, exchange or register the transfer of any Notes during the period of 15 days before the electronic delivery or mailing of a notice of redemption

12. **DEFAULTS AND REMEDIES.** The Events of Default relating to the Notes are defined in Section 6.01 of the Indenture. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25.0% in principal amount of the then outstanding Notes by notice to the Company may declare the principal of, and premium, if any, interest and any other monetary obligations on, all the then outstanding Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Company, all outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture, the Notes or the Guarantees except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default (except a Default relating to the payment of principal, premium, if any, or interest) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Notes then outstanding by written notice to the Trustee may, on behalf of the Holders of all of the Notes, waive any existing Default and its consequences under the Indenture except for a continuing Default in payment of the principal of, or premium, if any, or interest on, any of the Notes held by a non-consenting Holder; *provided*, that the Holders of a majority in principal amount of Notes may rescind and cancel certain declarations of acceleration of the Notes as provided in the Indenture. The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required within 10 Business Days after becoming aware of any Default to deliver to the Trustee a statement specifying such Default and the status thereof.
13. **AUTHENTICATION.** This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until authenticated by the manual signature of the Trustee.
14. **GOVERNING LAW. THE INDENTURE, THIS NOTE AND ANY GUARANTEE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THEREOF.**
15. **CUSIP NUMBERS AND ISINs.** Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers and ISINs to be printed on the Notes and the Trustee may use CUSIP numbers and ISINs in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Company will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to the Company at the following address:
