**Item 1.01. Entry into a Material Definitive Agreement**

Establishment of Performance Goals. On April 24, 2006, the Compensation and Management Resources Committee of the Board of Directors of Foot Locker, Inc. (the "Company") established the performance goals for the 2006-2008 Performance Period under the Long-Term Incentive Compensation Plan based on the Company's three-year average return-on-invested capital.

Under the Long-Term Plan, individual target awards are expressed as a percentage of the executive's annual base salary. The amounts shown in the table below under the column headed Annual Base Salary represent the annual rate of base salary for 2006 for each of the following executive officers included as Named Executive Officers in the Company's 2006 proxy statement. The amounts shown in the columns headed "Threshold," "Target," and "Maximum" represent 22.5 percent, 90 percent and 180 percent, respectively, of the annual base salary rates in the first year of the performance period for each of these executive officers and represent the amount that would be paid to each of them at the end of the performance period if the Company achieves the established goals.
